Continued on back ...

The AutoPeg Tags are anti-theft solutions that are a natural fit for high-risk items displayed on peg hooks. These solutions snap quickly and safely on single- or double-hole packaging and can be easily removed at POS for reuse.

The robust Next Generation Universal AutoPeg offers retailers a broader design for broader uses.

KEY FEATURES:

- Pinless one-piece design is safe and effective
- Preserves product branding
- Quickly removable at POS
- Tough, secure and reusable
- Available in S3, Standard Lock and Super Lock clutch strengths
- Unlocks with corresponding S3 HandKey, Multi-Detacher or Super S3 Key

SUGGESTED APPLICATIONS:

- Razor cartridges
